Re: *United States v. Stephen Bond-Nelson, 22 Cr. 137 (PAE)*

Dear Judge Engelmayer:

The Government writes to respectfully request an adjournment of the sentencing control date of March 7, 2023 in the above-captioned case. The Government currently expects that Stephen Bond-Nelson, the defendant, who pled guilty pursuant to a cooperation plea agreement, will testify in the trial, if any, in *United States v. Gregoire Tournant*, 22 Cr. 276 (LTS). Trial in that case is currently set to begin on February 5, 2024. Accordingly, the Government requests that the sentencing control date be adjourned until June 5, 2024, to allow sufficient time for the Tournant trial and the post-trial preparation of Bond-Nelson's presentence investigation report. If Tournant's case is resolved through a pretrial disposition, the Government will promptly notify the Court and request an earlier sentencing date.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
